

Chairman's Club Premier Membership

Mission Statement: To offer a Premier Chamber membership for leaders of our community who wish to create strategic partnerships that reflect the diversity of South Florida, foster economic development initiatives, and preserve Delray Beach's rich history and reputation as a dynamic location in which to live, work and play.

Overview: The Chairman's Club exclusive membership connects community and political leaders, CEO's, and entrepreneurs together in an environment to cultivate lasting business relationships. Influential business leaders around Delray Beach have a common ground in which to hear from informative speakers and experts, share their ideas and offer mentorship to emerging businesses that are making an impact in our community. Chairman's Club membership places you among the *movers & shakers* and offers you the opportunity to become involved in the "inner circle" while taking your business initiatives to the next level. Chairman's Club members receive exclusive invitations to monthly luncheons and socials with like-minded professionals, local leaders and state officials.
